

# ARTITUDE CUSTOM JOURNALS

By HomePlates™

## Create your own range of Custom Journals & Sketch Books

Artitude is pleased to present the unique opportunity for buyers to create their own line of custom journals. At virtually the same cost as buying an existing line of journals, it is now possible to customize your own product line for your store or customer.

And we don't mean a one-color imprint or logo. We print any image, any graphic, any photograph, any design... **in full color**. Plus, you may choose the same image for the back and front covers, or two different images. The choice is always yours.

We supply Museum Gift Shops, Colleges & Universities, Sororities & Fraternities, Catalog and Specialty Stores, Sports teams, Societies, Charities, and Clubs, Wedding and Party Planners, Wine Shops & Wineries, and more.

*We offer low minimums and complete flexibility.*

*Choose your own options... in any combination:*

**Book Size:** 5 x 7, 5 x 8, 7 x 10, 8.5 x 11
